

Pixie Lott - Goonight Goodbye

Tom: A

You've been sittin' on the fence too long
 You're giving me bad vibes, you've come from the wrong side
 Remember the time you said you'd come along
 But you never showed up, still you've never grown up
 Won't hurt me to say
 Goodnight, goodbye
 Baby we're done
 Cause you're too fly
 Wastin' the love that you're givin'
 Baby i aint livin' a lie
 Goodnight and goodbye

You say that you were only into to me
 But that's not the truth, yeah
 'Cause I see the proof, yeah
 I saw you eyein' up the girl next door
 If that's how you play it, all i can say is

You proved me right

Goodnight, goodbye
 Baby we're done
 'Cause you're too fly
 Wastin' the love that you're givin'
 Baby i aint livin' a lie
 Goodnight and goodbye

You've been sittin' on the fence for too long,
 But you're outta time (yeah)

Goodnight, goodbye
 Baby we're done
 Cause you're too fly
 Wastin' the love that you're givin'
 Baby i aint livin' a lie
 Goodnight and goodbye

Goodnight, goodbye
 Baby we're done
 Cause you're too fly
 Wastin' the love that you're givin'
 Baby i aint livin' a lie
 Goodnight and goodbye

(E D)

Goodnight and goodbye
