

# Pixie Lott - Gravity

Tom: **G**

**G**  
I know that you still haven't found you,  
**C**  
And when I wanna stand on my own too  
**Em**  
Suddenly you start to show  
**C**  
Signs of what is possible

**G** **C**  
Then you're back to your ways and I let me down  
**C** **Em**  
Tell me why I keep tryin' a stay around  
**Em** **C**  
When all my family they always telling me

**G**  
To be through with you  
**C**  
And I know that deep down Im callin? time on you  
**Em** **C**  
On you, on you

**G**  
Every time I'm ready to leave  
**C**  
Always seem to be  
**Em**  
Pullin' in the wrong direction  
**C**  
Divin' in with no protection  
**G**  
Man, you can't keep steerin' me wrong  
**C**  
Oh gravity  
**Em**  
Pullin' me back, pullin' me in  
**C**  
Why you pullin' me back, pullin' me in  
**D** **G**  
Just like gravity

**G**  
I know I betrayed but I'm made to  
**C**  
Ignore the universe when I see you  
**Em**  
Cause every night the stars will shine  
**C**  
Verging into U-turns times

**G** **C**  
Anything that they can just to change my mind  
**C** **Em**  
When I pass your road I can't help rewind  
**Em**  
What is wrong with me?  
**C**  
All that I wanna be is

**G**  
Through with you  
**C**  
And I know that deep down Im callin? time on you  
**Em** **C**  
On you, on you

(refrão)  
**Em**  
Be quiet, let me leave, let me go  
**C**  
Don't say another word  
**Em**  
Cause with every sound  
**Em** **D**  
You're pullin me down  
**F** **D**  
Baby, you got a hold on me  
Like gravity

**G** **C** **Em** **C** **D**  
Yeah, yeah, yeah, yeah, yeah, yeah

**G**  
Every time I'm ready to leave  
**C**  
Always seem to be  
**Em**  
Pullin' in the wrong direction  
**C**  
Divin' in with no protection  
**G**  
Man, you can't keep steerin' me wrong  
**C**  
Oh gravity  
**Em**  
Pullin' me back, pullin' me in  
**C**  
Why you pullin' me back, pullin' me in  
**D** **G**  
Just like gravity  
**C** **Em**
