Will you take off your dress and send it to me?

I miss your kissing and I miss your head And the letter that you're writing doesn't mean you're not dead

Run outside in the desert heat Make your dress all wet and send it to me

I miss your soup and I miss your bread And the letter that you're writing doesn't mean you're not dead

So spill your breakfast and drip your wine Just wear that dress when you di-i-ie

Sitting here wishing on the scenery floor Just wishing that I had just something you wore Bloody your hands on a cactus tree Wipe it on your dress and send it to me

Sitting here wishing on the scenery floor Just wishing that I had just something you wore
