

# Pixies - In Heaven

Tom: **C**

Tabbed by ?ranz

This tab attempts to sum up the live version played in the recent reunion tour. In I used the version played at the Rock En Seine 2005 gig (widely available on the youtube). I?m quite confident that the bass/chords (which I guess is what really matters) are 100% correct. And, yes, Kim Deal is the most gorgeous woman in indie rock EVER.

## BASS & Chords

Repeat all of this four times, one time without lyrics and then thrice with lyrics (the time, live, is when rhythm guitar enters). and end on **D** (either 0 or 12):

## GUITAR

Bm

Em

G

At the third time, you might want to add a **D** note on the e string

Bm

Em

G

Then play some notes adlib like this for the last 4 bars of the chord progression

D2

Em

F

For the other verses, you might want to add more notes like

Bm

Em

G

Or improvise any arpeggio on those Bm, **Em** and **G** chords.
