The joke is not upon me

In my motorcycle mirror
I think about the life I've had
And how my soul's in pink[?]
and the holes where I had bled

My image spoke to me
Yes to me and upped and said
'You are the son of incestuous union'
One two three

Now my head is clear
My bought
My daughter's pure
My son is whole

Land of plenty, land of fun
To find out I'm Nimrod's Son
Oh bury me far away please
Bury me

The joke is not upon me
