 Hi

D Bm G Bm A
 I was driving doing nothing on the shores of Great Salt Lake
 When they put it on the air I put it in the hammer lane
 I soon forgot about myself and I forgot about the brake
 I forgot about all laws and I forgot about the rain
 They were talking on the 9 and all across the amy band
 Across the road they were turning around and headed south with
 me
 It got so crowded on the road I started driving on the sand
 My head was feeling scared but my heart was feeling free
 The desert turned to mud it seems that everybody heard
 Everybody was remembering to forget they had the chills
 Then I heard the voices on a broadcast from up on the bird
 They were getting interviewed by some Goodman whose name was
 Bill
 I'm almost there to Vegas where they're puttin' on a show
 They've come so far I've lived this long at least I must go
 and say hello.
