

Grupo Pixote - Tudo Por Você

Tom: F

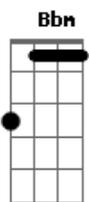

Se eu pudesse te dizer tudo o que sinto por você
 Te mudaria em relação a mim
 Já tentei te esquecer
 Mas eu não vejo meu caminho sem você... meu bem
 Quando te vejo o tempo pára e o coração dispara
 Mas você não me percebe, é o fim
 Te olho e não te vejo

Te imagino em cada beijo que eu dou em outro alguém
 Como eu queria me ver
 No fundo dos seus olhos preso em você
 Ai meu Deus quanta alegria
 Se o rumo dos seus olhos me encontrasse um dia
 Fico te olhando imaginando
 A gente namorando
 Esse dia vai chegar
