Intro: G

[Primeira Parte]

C        D2                       Em
 Feeling sorry for your last misfortune
C        D2                         G
 Drawing roses from our dream come true
C        D2                     Em
 Kill my heart with unforgiving silence
C        D2                      G
 See the stars for everything we grew

( C   D2 )

                               Em          G
(And just like that, everything was taken away)

( C   D2   Em   G )

[Refrão]

```
C        D2           Em          G
 Taken away, taken away, taken away
                               C
Everything was taken away
D2           Em           G
Taken away, taken away, away
                               C
Everything was taken away
D2           Em           G
Taken away, taken away, away
                               C
Everything was taken away
D2           Em
Taken away, taken away
   G
Away, away, from me

( C   D2   Em   G )
