

# Place Vendome - Heaven's Door

Tom: A

A Gbm  
The days without you  
E D  
Seem like a cloudy rainy day  
A Gbm  
The storms I've been through  
E D F  
to find the light to guide the way  
G A  
To your heart with me  
F G  
can we make a new start?

A Dbm Bm D  
Will you walk the line to heavens door tonight?  
A Dbm Bm D  
If we take the time to make it feel just right

A Gbm  
Only blue skies  
E D  
could really make me feel this way  
A Gbm  
So baby don't cry  
E D F  
no more sorrows for today  
G A  
Now you know and feel  
F G  
that I'm lonely for real

A Dbm Bm D  
Will you walk the line to heavens door tonight?  
A Dbm Bm D  
If we take the time to make it feel just right  
A Dbm  
So give me just one more night

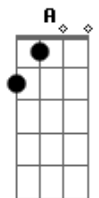

Bm D  
In this world that we're living it feels so right  
A Dbm Bm  
And don't break my heart cuz you know that I'm hurting  
D  
So don't break my heart

[Solo] A Dbm Bm D

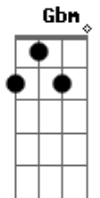

Dbm Bm  
All the things you said that you'd do  
Dbm Bm  
Won't take away my feeling for you  
Dbm Bm  
All I ask is to give me shelter  
F G  
from a broken heart  
F G A  
Cuz my world tears me apart  
F G  
Can we make a new start?

A Dbm Bm D  
Will you walk the line to heavens door tonight?  
A Dbm Bm D  
If we take the time to make it feel just right  
A Dbm  
So give me just one more night  
Bm D  
In this world that we're living it feels so right  
A Dbm Bm  
And don't break my heart cuz you know that I'm hurting  
D  
So don't break my heart  
A Dbm Bm D  
Will you walk the line to heavens door tonight?  
A Dbm Bm D A  
If we take the time to make it feel just right
