

# Placebo - A Million Little Pieces

tom:  
Capostrate na 1ª casa

**Bb**  
There wasn't much I used to need  
A smile would blow a summer breeze through  
**Db**  
My heart  
**Bb**  
Now my mistakes are haunting me

Like winter came and put a freeze on  
**Db**  
My heart

**Bb**  
I lost the power to understand

What it takes to be a man with  
**Db**  
My heart

**Bb**  
I saw you wanted this to end

You tried your best to be a friend to  
**Db**  
My heart

[Refrão]

**B** **Db**  
But I'm leaving this worry town  
**B** **Bb** **Db**  
Please no grieving, my love

Understand

**Bb**  
Whenever I was feeling wrong

I used to go and write a song from  
**Db**  
My heart

**Bb**  
But now I fear I lost my spark

No more glowing in the dark for  
**Db**  
My heart

**B** **Bb** **Db**

So I'm leaving this worry town  
**B** **Bb** **Db**  
Please no grieving, my love

Understand

[Ponte] **Bb** **Db** **B** **Ab**

**Bb**
