

# Placebo - Battle For The Sun

Tom: F

**Dm** **Bb**  
I will battle for the sun  
**Dm** **Bb**  
And I won't stop until I'm done  
**Dm** **Bb**  
You are getting in the way  
**Dm** **Bb**  
And I have nothing left to say

**Dm** **Bb**  
I will brush off all the dirt  
**Dm** **Bb**  
And I will pretend it didn't hurt  
**Dm** **Bb**  
You are a black and heavy weight  
**Dm** **Bb**  
And I will not participate

**C** **Bb** **Dm** **Bb**  
Dream brother, my killer, my lover  
**C** **Bb** **Dm** **Bb**  
Dream brother, my killer, my lover

**Dm** **Bb**  
I will battle for the sun  
**Dm** **Bb**  
Cause I have stared down the barrel of a gun  
No falling  
**Dm** **Bb**  
You are a cheap and nasty fake  
**Dm** **Bb**  
And I am the bones you couldn't break

**C** **Bb** **Dm** **Bb**  
Dream brother, my killer, my lover  
Dream brother, my killer, my lover

**C** **Bb** **Dm** **Bb**  
Dream brother, my killer, my lover  
Dream brother, my killer, my lover

**C** **Bb** **Dm** **Bb**  
Dream brother, my killer, my lover  
Dream brother, my killer, my lover

I will battle for the sun
