

# Placebo - Like Siamese

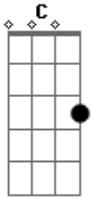

Tom: C

D Dm

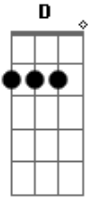

Hang breathless on me, hang breathless on me  
The war will soon be over so hang breathless on me

We'll walk slow through the empty and we'll do as we please  
We'll crawl body to body just like siamese  
Like siamese  
It's cold down by the water and there's blood on the trees  
We'll flow shoulder to shoulder jst like siamese  
Like siamese
