Baby did you forget to take your meds?

I was alone, Staring over the ledge, Trying my best not to forget All manner of joy All manner of glee And our one heroic pledge

How it mattered to us, How it mattered to me, And the consequences

I was confused, By the birds and the bees Forgetting if I meant it

Baby did you forget to take your meds? $4\boldsymbol{x}$

And the Sex and the drugs and the complications $4\boldsymbol{x}$

Baby did you forget to take your meds? 6x

I was alone, Falling free, Trying my best not to forget
