

Placebo - Pure morning

Tom: **A**

E A

A friend in need's a friend indeed, a friend with weed is better

A friend with breasts and all the rest, a friend who's dressed in leather

A friend in need's a friend indeed, a friend who'll tease is better

Our thoughts compressed which makes us blessed and makes for stormy weather

A friend in need's a friend indeed, my Japanese is better

And when she's pressed she will undress and then she's boxing clever

A friend in need's a friend indeed, a friend who bleeds is better

My friend confessed she passed the test and we will never sever

Days dawning, skins crawling, pure morning
