

# Placebo - Special Needs

Tom: **D**  
Intro:

(continua a introdução aki, ou seja, cada verso abaixo corresponde a 1x a introdução. É soh escutar a música pra pegar o tempo certinho.)

Remember me when you're the one who's silver screened  
Remember me when you're the one you always dreamed  
Remember me whenever noses start to bleed  
Remember me, special needs

Just 19 and sucker's dream I guess I thought you had the flavour  
Just 19 and dream obscene with six months off for bad behaviour

Remember me when you clinch your movie deal  
And think of me stuck in my chair that has four wheels  
Remember me through flash photography and screens  
Remember me, special dreams

Just 19 this sucker's dream I guess I thought you had the

flavour  
Just 19 and dream obscene with six months off for bad behaviour  
Just 19 and sucker's dream I guess I thought you had the flavour  
Just 19 and dream obscene with six months off for bad behaviour

Remember me... Remember me...

(aki entra o solo o qual não consegui fazer, hehehe!  
A base continua a mesma por mais 4x após a oitava vez acima)

Just 19 this sucker's dream I guess I thought you had the flavour  
Just 19 and dream obscene with six months off for bad behaviour  
Just 19 and sucker's dream I guess I thought you had the flavour  
Just 19 and dream obscene with six months off for bad behaviour

Remember me... remember me...
