

# Placebo - Teenage Angst

Tom: **B**

Para guitarra, melhor usar os acordes acima da quarta casa. **B**

**B** Shine the headlight  
**B** Straight into my eyes  
**B** Like the roadkill  
**B** I'm paralysed  
**E** You see through my disguise **B**  
**B** At the drive-in  
**B** Double feature  
**B** Pull the lever  
**B** Break the fever **E**  
 And say your last goodbye **B**  
 Since I was born I started to decay **Abm** **Gb** **B**  
**Abm** **Gb** **B**

Now nothing ever ever goes my way

**B** One fluid gesture  
**B** Like stepping back in time  
**B** Trapped in amber  
**B** Petrified **E**  
 And still not satisfied **B**  
**B** Airs and social graces  
**B** Elocution so divine  
**B** I'll stick to my needle  
**B** And my favourite waste of time **E**  
 Both spineless and sublime **B**  
 Since I was born I started to decay **Abm** **Gb** **B**  
**Abm** **Gb** **B**  
 Now nothing ever ever goes my way
