

# Plain White T's - If I Told You

Tom: **E**

If I told you I loved you  
**Dbm**  
**A** **E**  
 Would it move you enough  
**A** **E** **Ab**  
 To even act as though you've heard?

If I said I was leavin'  
**Dbm**  
**A** **E**  
 Would you still find a reason  
**A** **E** **Ab**  
 To ignore my every word?

'Cause I'm the one who waits here for you,  
**Dbm**  
 I'm the who'll always adore you,  
**A** **B**  
 I'm the one who is dying for your cause,

Do you care at all?  
**B** **Dbm** **B** **A**  
 Do you care at all?  
**B** **Dbm** **B** **A** **B**  
 Do you care at all?

If I told you to meet me in the city this evening,  
**Dbm** **A** **E**  
 Would you even think to come?  
**Dbm** **A** **E**  
 Everyone would be hearing my intentions of prolonging,  
**A** **E** **Abm**  
 Your easy when your numb.

'Cause I'm the one who waits here for you,  
**Dbm**  
 I'm the who'll always adore you,  
**A** **B**  
 I'm the one who see's right through it all.

Do you care at all?  
**B** **Dbm** **B** **A**  
**B** **Dbm** **B** **A**

Do you care at all?  
**B** **Dbm** **B** **A** **B**  
 Do you care at all?

If I told you,  
**B**  
**Abm** **Dbm**  
 Would you care?

If I told you,  
**B**  
**Abm** **A** **Abm**  
 Would you still never be there

Solo: **Dbm** **A** **E** **A** **E** **Abm**

If I told you,  
**B**  
**Abm** **Dbm**  
 Would you care?  
 (Do you care at all?)

If I told you,  
**B**  
**Abm** **A** **Abm**  
 Would you still never be there?

If I told you,  
**Dbm** **A** **E**  
 I need you would you still not agree to  
**A** **E** **Ab**  
 Even offer me your hand?  
**Dbm**  
 If I said I was dying,  
**A** **E** **A** **Abm**  
 Would you keep on denying my attempts to be your man,

'Cause I'm the one who waits here for you,  
**Dbm**  
 I'm the who'll always adore you,  
**A** **B**  
 I'm the one who'll catch you when you fall.

Do you care at all?  
**B** **Dbm** **B** **A**  
 Do you care at all?  
**B** **Dbm** **B** **A**  
 Do you care at all?  
**B** **Dbm** **B** **A** **B**  
 Do you care at all?
