verse 1
                                                                      Am
                                                             As we declare your praises
Am - Am Am
                                                             F.
                                                                         C
  Here and now making loud
                                                             Woah, oh, oh, oh
                 Am - Am - Am
                                                                          G
At the top of our lungs
                                                             Woah, oh, oh, oh
Am Am Am
   There's a sound breaking out
                                                             verse 2
                      Am - Am - Am
Lord for all that you've done
                                                             From the start here we are
                                                                                 Am - Am - Am
Pre-Chorus
                                                             To collide with Your love
                                                             Am - Am - Am
