Tom: **C**

You, You, the one we desire and all that we came for is
 You, You, the treasure of Heaven, desire of the nations it's
 You, You, the hope and the cry of our hearts, God it's
 You, You, we're longing for all that You are
 Jesus, wonderful Jesus
 Great is Your glory, worthy of all our praises
 Jesus, we worship You Jesus
 Creation sings holy, holy, holy are You Lord
 You, You, display all Your glory, unfolding before me it's
 You, You, in breathtaking splendour, You light up the heavens
 with
 You, You, creator, redeemer and King, God it's

You, You, the purpose and reason we sing

You came from heaven, gave up Your throne
 Now and forever, Your blood redeeming
 Death overwhelmed by the power of Your name Jesus
 Now You be exalted, You be adored
 Now and forever, You're all surpassing
 All will declare the power of Your name Jesus
 Jesus, wonderful Jesus
 Great is Your glory, worthy of all our praises
 Jesus, we worship You Jesus
 Creation sings holy, holy, holy are You Lord
