

Play Salmos - Cantai Cristãos Afinal

tom:

Intro: G C G G

Cantai, cristãos, afinal

Salve, ó vítima pascal

Cordeiro inocente, o Cristo

Abriu-nos do Pai o aprisco

Por toda ovelha imolado

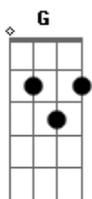

Do mundo lava o pecado

Duelam forte e mais forte

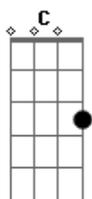

É a vida que enfrenta a morte

O rei da vida cativo

Foi morto, mas reina vivo

Responde, pois, ó Maria

No caminho o que havia

Vi Cristo ressuscitado

O túmulo abandonado

Os anjos da cor do sol

Dobrado no chão o lençol

O Cristo que leva aos céus

Caminha à frente dos seus

Ressuscitou, de verdade

Ó Cristo rei piedade
