

Playing For Change - War / No More Trouble

Tom: **D**

(**Bm** **A**)

Until the philosophy which holds one race
Superior and another inferior
Is finally and permanently discredited and abandoned
Everywhere is war, me say war

That until there is no longer first class
And second class citizens of any nation
Until the colour of a man's skin
Is of no more significance than the colour of his eyes
every where is war

War! Everywhere is war!

Bm
We don't need) No, we don't need (no more trouble)
No more trouble!

Em Gbm Bm

(We don't need no more trouble)

Em Gbm Bm

uoh! oooh...

[**A** partir daqui começa a batida mais comum no reggae]
Bm

(We don't need)We don't need(no more)trouble!
We don't need no trouble!

'Cause we don't need no trouble

What we need is love (love)

To guide and protect us on (on)

If you hope good down from above (love)

Help the weak if you are strong now (strong)

Em **Em Gbm Em**

We don't need no trouble

Em **Gbm**
