

Playing For Change - War / No More Trouble

Tom: **D**

(**Bm** **A**)
 Until the philosophy which holds one race
 Superior and another inferior
 Is finally and permanently discredited and abandoned
 Everywhere is war, me say war

That until there is no longer first class
 And second class citizens of any nation
 Until the colour of a man's skin
 Is of no more significance than the colour of his eyes
 every where is war

War! Everywhere is war!

Bm
 We don't need) No, we don't need (no more trouble)
 No more trouble!

Em Gbm Bm

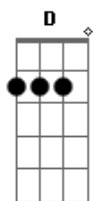

(We don't need no more trouble)
Em Gbm Bm
 uoh! oooh...

[**A** partir daqui começa a batida mais comum no reggae]
Bm
 (We don't need)We don't need(no more)trouble!
 We don't need no trouble!

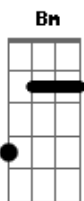

(We don't need no more trouble)
 Make love and not war!
 'Cause we don't need no trouble
 What we need is love (love)
 To guide and protect us on (on)
 If you hope good down from above (love)
 Help the weak if you are strong now (strong)

Em **Em Gbm Em**
 We don't need no trouble
Em **Gbm**
 What we need is love Oh, no!
