[Verso 01]

Please understand, this isn't just goodbye. this is "i
can't
Stand you", this is where the road crashed into the
Ocean. it rises all around me. and now we're barely
Breathing. a thousand faces will choose to ignore

[Verso 02]

I listen to you cry. i cry for less
Attention. but both my hands are tied. and i'm pushed
Into the
Deep end. i listen to you talk, but talk is

I lay rotting where I fall. I'm dead from bad intentions
Suffocated and embalmed, and now all our dreams are chased in
You swore you wouldn't lose, then lost your brain
You make a sound that feels like pain
So please understand
This isn't just goodbye
This is I can't stand you
