

P.O.D - Babylon The Murdered

```
Tom: A
                                                                    Solo Backing
                                                 )
 (com acordes na forma de
Tuning: Drop C (C,G,C,F,A,D )
Riff 1 (intro)
                                                                     Solo
Riff 2
                                                                     Slight pinched harmonics on the bends.
Play Riff 2 x3
Riff 3 (clean w/ chorus)
                                                                    Light pinched harmonics on these notes.
           "Tell the world, tell the whole world..."
                                                                     Riff 6 (light distortion) "Pull the trigger!"
Play Riff 3 x2
                                                  ends on this
note final time
                                                                    Riff 7 (alteration of Riff 2) "Babylon is a murderer..."
Riff 4 "...and destroyed, yeah ha..."
                                                                     Play Riff 7 x2 "Babylon is a murderer..."
Play Riff 2 x4
                  "Babylon is a murderer..."
Play Riff 3 x2
Play Riff 4 x1
                  "And you gods will be shattered..."
"...live there again, yeah ha..."
                                                                    Riff 8
                                                                               "Pull the trigger!"
Play Riff 2 x4
                  "Babylon is a murderer..."
                                                                    Riff 9 (ending)
Riff 5 (w/ fuzz)
```

Riff 9 is also played underneath the chorus riff as an

overdubbed guitar.
