P.O.D - Bullet The Blue Sky

Tom: C

    Dropped D tuning
Intro: (Note: Don't let the Am that you slide down to from the
Dm ring.)
Just let feedback pour out of your amp. Then:

Dm (05776x)
/ = slide

Verse 1: Just let this ring while feedback pours out of your
amp. (The D in the parentheses
can be played instead of the D on the A string.)
```
E|-----
B|-----
G|-----
D|--
A|--5--
E|--0~-
```

Chorus:

Verse 2: On this verse, it sound like Marcos is playing this:
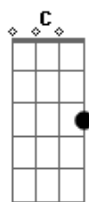

(Chorus)
(Intro again)
(Verse 1 guitar)

Solo: sb = slight bend, b = bend

(Chorus)

The hit a D (000xxx) and let it fade out while Sonny does
Bono's talk.
