

## P.O.D - Celestial Live

Tom: **Bb**

title: Celestial  
album: satellite  
transcribed by: joel hewitt  
email:

This is a really wicked song by an awesome band

you will need to put a really strong chorus effect  
on the this with a slight delay,

then towards the end add wah wah.

dropped a full step (d,A,F,C,G,D,)

i like this live version better than the cd vesion.  
it rulz.

have fun with this

if you feel you need to comment on this then email me at

## Acordes
