

# P.O.D - Eyez

Tom: **D**

Afinação: Drop **C** - **C G C F A D**

Notes: Very easy one if you take out the leads (which are pretty easy in their own right). I can't hear the intro fade in solo so that's practically impossible to tab accurately so you can improvise it. The other lead you can also improvise if you want. It's a very "loose" solo, but I tried to tab it as accurately as I could.

Riff 1 (fade in) "When it all goes down! We will rise!"

Riff 2 "One vision, death has risen..."

Riff 3 "Millennium rains..."

Riff 4 "When it all goes down, we will rise!"

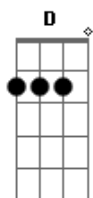

Riff 4 - 2x "...you haven't seen, nothing yet!"  
 Riff 2 - 1x (w/ wah)  
 Riff 2 - 2x "Awake and scream..."  
 Riff 3 - 2x "And keep laughing now..."  
 Riff 4 - 2x "When it all goes down, we will rise..."  
 (last time don't play the palm mutes at the end)

Riff 5

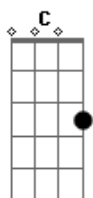

Solo (c/ wah)

Riff 3 - 2x "...right in front of your eyes!"  
 Riff 4 - 2x "...you ain't seen nothin' yet!"
