P.O.D - If You Could See Me Now

Tom: C
Intro: 2x: F A

Verso 1:

```
F                         A
My soul is alive, and so are you
F                         A
Helps when trying to pass the time, it ain't easy without you
F                         A
As long as I can try, I'll make it through
F                         A
But it might take awhile, believe me if you only knew
```

Refrão:

```
E        G           A
If you, If you, Could see Me Now
E        G           A
If you, If you, Could see Me Now
E        G           A
If only you, If you, Could see Me Now
```

Verso 2:

```
F                         A
And is this what you want for me to feel?
F                         A
Or am I going out of my mind? What Is real?
F                         A
Stay by my side, so I can live
F                         A
```

And I will be alright, don't leave me

Refrão 2:

```
E        G           A
If you, If you, Could see Me Now
E        G           A
If you, If you, Could see Me Now
E        G           A
If you, If you, Could see Me Now
E        G           A
If only you, If you, Could see Me Now
(Then you'd understand who I really am)
E        G           A
If only you, If you, Could see Me Now
(You never questioned me, if you could only see)
```

Ponte:

```
F     A              F     A        F     A
  And is this what you want   for me to feel?
                              F         A
And Is this what you want?
E     D         A
Is this what you want?
                    C
Is this what you need?
E     D         A
Is this what you want?
                    C
Is this what you need?
```
