. . .

Reveal, to me,
The mysteries
Can you tell me what it means?
Explain, these motions and metaphors,
Unlock these secrets in me.
Describe, the visions,
The meaning is missing,
Won't anybody listen?

Define, the riddles of my mind,
Nothing is really as it seems.

Dreaming of Zion awake,
Sleeping awake,
Dreaming of Zion awake,
Can't stop sleeping awake,

Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Do you see what I see?

Can you hear what I hear?
Do you feel like I feel?
Can't stop sleeping awake

Can you see it?
The writing,
Can you tell me what it means?
Translate the symbols; enigma,
Expressions keep pushing me,
The message slips and the meaning is missing,
Won't anybody listen?

Prophecy; interpretate the signs,
Nothing is really as it seems,

Dreaming of Zion awake,
Sleeping awake.
Dreaming of Zion awake,
Can't stop sleeping awake.

Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Can't stop sleeping awake

Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Can you dream what I dream?

Ah - Ah -Ah,
Ah - Ah - Ah,

Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Do you dream like I dream?
Can anybody see me?
Can anybody hear me?
Can anybody feel me?
Is anybody out there?

Dreaming of Zion awake,
Sleeping awake.
Dreaming of Zion awake,
Can't stop sleeping awake.

Do you see what I see?
Can you hear what I hear?
Do you feel like I feel?
Can't stop sleeping awake
Can anybody see me?
Can anybody hear me?
Can anybody feel me?
Is anybody out there?
