

P.O.D - This Ain't No Ordinary Love Song

Tom: **A**

(intro 2x) **Cm Gm F**

(riff 1)

(riff 1)

I don't belong
Too many wrongs
I'm so undeserving
I'm lost inside
Confusing minds
A slave
To what I'm feeling
Scared
Of what I'm thinking
I'm not worried
About forgiving you now
The simple truth

(**Gm Cm**)
(**Gm F Cm**)
This ain't no
Ordinary love song
This ain't no
Ordinary love
Love song

(riff 1)
This love undone
Words left unsung
Now I have become me
The reasoning
Escapes my soul
That leads
To understanding
Loving you to death

Is stopping
Someone else
From living too now
It's killing you

(**Gm Cm**)
(**Gm F Cm**)
This ain't no
Ordinary love song
This ain't no
Ordinary love
Love song

G
Losing control
To all my thoughts
Want to let go
But I cannot
This is my love
It's all i got
Don't take me there
In hell I'll rot

This is my love
It's all I got
This is my love
It's all I got

(riff 1)

This ain't no
Ordinary love song
This ain't no
Ordinary love
Love song
This ain't no
Ordinary love
