Tom: C

Intro: x4: G C

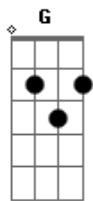

C Am  
I've seen those signs a million times  
F C  
The chill that clouds your eyes  
Am  
The light that shines black as a coal  
F G  
Deep down in the mind  
Am C  
And I'm hungry, and I'm dying of thirst  
F G  
Just suffering from a lover's curse  
C F  
I'll turn to stone, let the rivers flow,  
G C  
And wash me to the sea  
F G C  
The curse of love is hanging over me  
Am  
I've walked the line, stood by your side,  
F C  
I've kept you company  
Am  
And all those times you felt like crying,  
F G  
I've held you close to me  
Am C  
Now someone's put a spell on me,  
F G  
All my worst dreams are coming true  
C F  
I'll turn to stone, let the rivers flow,  
G C  
And wash me to the sea  
F G C  
The curse of love is hanging over me

F G  
The curse of love is hanging...  
C  
Over me  
F C  
Around the tent, the storm was raging,  
G  
The gypsy's eyes were wild and blazing  
C F  
Should have listened when she said  
C  
You'd slip away from me  
( F C G C F C )  
C Am  
The bottle's empty, I've drunk it dry,  
F C  
And still I feel the pain  
Am  
Well, all we had is lost now,  
F G  
Like teardrops in the rain  
Am C  
The night is long, I'm tired and weary,  
F G  
But I don't know where this road will lead me,  
C F  
I'll turn to stone, let the rivers flow,  
G C  
And wash me to the sea  
F G C  
The curse of love is hanging over me  
F G  
The curse of love is hanging...  
C  
Over me  
( C G ) (4x)
