Poison - Until You Suffer Some (Fire and Ice)

```
                              tom:
                        Eb
Intro:  Eb   Db   Eb
          Eb   Db   Eb

Eb                          Db             Eb
Lately I can tell that something ain't right
Eb                          Db          Eb
I don't see the fire when I look in your eyes
Eb                    Db        Eb
One time up, and the next time down
Eb                        Db          Eb
This may be the last time that you see me around, said

( Eb  Db   Eb )

        Eb                      Db         Eb
Well it sure seems to me nothing matters tonight
      Eb                        Db          Eb
And all those things we worked out, they got lost in the fight

  Eb                          Db             Eb
   I just want to know if we've got anything left at all, and I
say

[Refrão]

Eb
  Hold on now, baby
Bb
   This could be the last time we stand
Cm                                   Ab   Gm   Fm
   This could be the last time that we say good-bye
Eb
   The picture shatters
Bb
   I can't find the words to save it
Cm                                Ab   Gm   Fm
   Tell me what to do, how can I make it right
         Ab   Gm   Fm          Eb
We will al-ways be fire and ice

     Eb                 Db          Eb
Well promises made in the heat of the night
Eb                                       Db
Eb
You could sure spit them out, girl, but they've long passed me
by
Eb                     Db             Eb
  Nobody knows about the show you put me through (wooh!)
Eb                              Db             Eb
```

Bb                               Ab
   Well I can't stand to see no more damage done (yeah)
Bb                                   Ab
   But you'll never understand until you suffer some, and I
said
