[Primeira Parte]

Dm F A
The devil said, "Sit and have yourself a glass"
Dm F A
He said "I know you're angry right now, but the feelin' will
pass
Dm F A
So keep your cup tipped up when you're feelin' down low
Dm F A
And when you finally forget your purpose, you'll be stumblin'
on down my side of the road"
G Dm
Oh you know it ain't good for you
G Dm
To keep going on like you do
G D A
Time's running away and it's running fast

[Refrão]

A F
Oh, said I know
G F Dm
I used to walk down the very same road
Dm F A
And if I could I'd give you some advice
Dm F
See, he don't care about you
G F
All the good, all the bad you do, no
Dm F A
He wants your life, and that's the devil's price
Dm
Yeah, the devil's price

(Dm F A)
(Dm F A)

(Dm F A)

[Segunda Parte]

Dm F A
The same devil says "Sit and have yourself a line"
Dm F A
He says, "We can make it last all day, yeah we can make it
last all night
Dm F A
When you try to go to sleep I'll be in your ear
Dm F

Yeah I'll be laughin' at you, the whole night through, with
your paranoid eyes all full of fear"

G Dm
Oh you know it ain't good for you
G Dm
To keep going on like you do
G D A
Time's running away and it's running fast

[Refrão]

A F
Oh, said I know
G F Dm
I used to walk down the very same road
Dm F A
And if I could I'd give you some advice
Dm F
See, he don't care about you
G F
All the good, all the bad you do, no
Dm F A
He wants your life, and that's the devil's price
Dm
Yeah, the devil's price

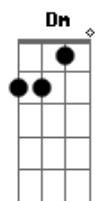

(Dm F A)
(Dm F A)
(Dm F A)
(Dm F A)

Dm F A
The devil just left, he said he had to go
Dm F A
It's funny how it works that way when you just start tellin'
him no
Dm F A
So just keep on keepin' him down that way
Dm F A
I said you're almost done, you got the devil on the run, and
you ain't got no price to pay

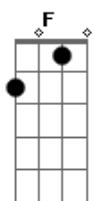

[Refrão]

A F
I said I know
G F Dm
I used to walk down the very same road
F A
And I thank you kindly for taking my advice
Dm F
See, he don't care about you
G F
All the good, all the bad you do, no
Dm F A
He wants your life, and that's the devil's price
Dm
A Yeah, the devil's price
