                                                A7M
                                                                                        D7M
                                                                                                                                                                                                                                                                         Climbing to the top of the building
   Sooner or later I'm gonna get through to you
                    A7M
                                                                                                                                                                                                                                                                         Making sure my parachute's working
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   A7M
 I'm telling you baby, there's nothing in the world you can do I see the river running backwards below
                                                                                          A7M
                                                                                                                                                                                                                                                                                                                                                                                           A7M
I've got time on my side along for the ride
                                                                                                                                                                                                                                                                         I close my eyes to see the connection
       D7M
                                                                                                                                                                                                                                                                         D7M
And everything is setting like the sun
                                                                                                                                                                                                                                                                         The river runs in every direction
                         D7M
                                                                      E A7M
And this moment has just begun
                                                                                                                                                                                                                                                                         I'm coming down to go and check out the show
                             Gbm
                                                                                                                                                                                                                                                                                                                        Gbm
                                                                                                                                                                                                                                                                                                                                                                                 Rm
   Sooner or later, gonna soothe you
                                                                                                                                                                                                                                                                           Sooner or later, gonna soothe you

                                                                                                                                                                                                                                                                        And everything is setting like the sun

E D7M Gbm E D7M Gbm E D7M Gbm E D7M

(Ooh ooh oooh, ooh ooh oooh, ooh ooh oooh)
And everything is setting like the sun
E D7M Gbm E D7M
(Ooh ooh oooh, ooh ooh oooh)
Got myself the strangest machine
                                                                                                                                                                                                                                                                         D7M
                                                                                                                                                                                                                                                                                                                                                                                        A7M
                                                                                                                                                                                                                                                                        Climbing to the top of the building
Bet you know the kind that I mean % \left( 1\right) =\left( 1\right) +\left( 1\right) +
                                                                                                                                                              D7M
It's making everything go blurry and dim (oh yeah)
                                                                                                                                                                                                                                                                        Making sure my parachute's working
                                                                                A7M
Taking me where I wanna go
