

# Portal - Still Alive

tom: C D Bm D Bm  
 This was a triumph  
 I'm making a note here: huge success  
 It's hard to overstate my satisfaction  
 Aperture Science  
 We do what we must because we can  
 For the good of all of us  
 Except the ones who are dead  
 But there's no sense crying over every mistake  
 You just keep on trying till you run out of cake  
 And the science gets done and you make a neat gun  
 For the people who are still alive  
  
 I'm not even angry  
 I'm being so sincere right now  
 Even though you broke my heart and killed me  
 And tore me to pieces  
 And threw every piece into a fire  
 As they burned it hurt because  
 I was so happy for you  
 Now these points of data make a beautiful line  
 And we're out of beta, we're releasing on time

So I'm glad I got burned, think of all the things we learned  
 For the people who are still alive  
  
 Go ahead and leave me  
 I think I'd prefer to stay inside  
 Maybe you'll find someone else to help you  
 Maybe Black Mesa  
 That was a joke, ha ha, fat chance  
 Anyway this cake is great  
 It's so delicious and moist  
 Look at me still talking when there's science to do  
 When I look out there it makes me glad I'm not you  
 I've experiments to run, there is research to be done  
 On the people who are still alive  
  
 And believe me I am still alive  
 I'm doing science and I'm still alive  
 I feel fantastic and I'm still alive  
 And while you're dying I'll be still alive  
 And when you're dead I will be still alive  
 Still alive  
 Still alive
