

Portugal The Man - All Your Light

Tom: **G**
Intro: **Em G C D**

Em
I'm just the shadow of a bigger man

G
Glowing brighter with each year i am

C
I was standing on a mountain

D
Just looking down (on you on you)

Em
It's like my daddy said

G C
You gotta use your head (my body won't work for nobody but me, son)

D
Yeah, no one said that i aim to please

G Am Em
All your light can't save me
All your light all your light can't save me

G Am Em
I won't wait though my time may come
I can't wait, i can't wait

D
My time may come (my body won't work for nobody but me, son)

Em
As a boy i had it figured out

G
There are things that you can't live without

C
But money, it's sad but true, would surely top that list

D
And your rules your rules your rules, well they would not be missed

Em
Well I became

G
Whole again

C
Cause no one said no one said no one said

D
There'd be times like these

G Am Em
All your light can't save me
All your light all your light can't save me

G Am Em
I won't wait though my time may come
I can't wait, i can't wait
My time may come

G Am Em
(My body won't work for nobody but me, son)

No one said there'd be times like these

G Am Em
(My body won't work for nobody but me, son)
No one said there'd be times like these

G Am Em
(My body won't work for nobody but me, son)
No one said there'd be times like these

G Am Em
(My body won't work for nobody but me, son)
Well, no one said there'd be times like these

Em G
I was licking flames, when I broke your reins

G D
Still, no one said no one said no one said it'd be suicide

G Am Em
All your light can't save me
All your light all your light can't save me

G Am Em
I won't wait though my time may come
I can't wait, i can't wait
My time may come

G Am Em
(My body won't work for nobody but me, son)
No one said there'd be times like these

G Am Em
(My body won't work for nobody but me, son)
Well, no one said there'd be times like these

(**Em D G Am Em G Am Em**)

G Am Em
All your light can't save me
All your light all your light can't save me

G Am Em
I won't wait though my time may come
I can't wait, i can't wait
My time may come

G Am Em
All your light can't save me
(My body won't work for nobody but me, son)
All your light all your light can't save me

G Am Em
I won't wait though my time may come
