

Portugal The Man - And I

Tom: C

Some were reborn^{Am}
 Some were simply shaken free^{Dm}
 Some were the colors^G
 That took to the streets^C
 They found in those later years^{Am}
 They knew what we need^{Dm}
 It's love for each other^G
 And every living thing^C
 And now all my time (all my time)^{Am Dm}
 Is used
 It's only^G
 Lonely time too^C
 Ahhhhhhhh^{Am}
 Some were simply shaken free^{Dm}
 Some were the colors^G
 That took to the streets^C
 They thought in those younger years^{Am}
 They knew what to do^{Dm}
 They knew what to say^G
 Had nothing to lose^C
 Am Dm G C (Play just as if it were another verse)
 Now pick up and pack up the place you were pink^{Am E F C}
 And falling around^{Am E F C}
 Dripping and crawling and clawing inside^{Am E F C}

You're missing some sounds

The ones that float^{Am} carry and dance about time^{E F C}
 And space that it lends^{Am E F C}
 Room to be free like the sun and the moon^{Am E F C}
 Save for the sound

Take from the air^{Am E}
 Take to the streets^F
 And I, ooohooohooohoo^C
 (x4)

(Slow it downnnn for these two upcoming verses)

We'll be reborn^{Am}
 Yeah we'll simply be free^{Dm}
 We'll be the colors^G
 That pour through the streets^C

And find in their after years^{Am}
 That we're all, we're all the same^{Dm}
 We're all the colors^G
 That pour through the streets^C

Am E F C (x2, in the style of the And I part)

Take from the air^{Am E}
 Take to the streets^F
 And I, ooohooohooohoo^C
 (x4)

(Slow down)

Take from the air^{Am E}
 Take to the streets^F
 And I^C
 (x2)
