

Portugal The Man - Elephants

Tom: **C**

Intro: - Conductor stood up and took roll call..

Who Built the love?

Verse- Mayor stood up in high demand..

Sorry I don't know the lead guitar, but these are the main chords.

Pre-chorus- Are you in today?

Chorus - Will there be a better place?

Interlude-

John just pretty much variates around the **G** here.
If anyone wants to send me the lead guitar, it would be muchly appreciated.

Outro- Pears and peaches..

This is for bass, but sounds pretty great on guitar too.

End on
E-3~
