Tuning: DADGBe
==================
===Intro/Verse 1===
==================

Part 1 (0:04)

Part 2 (0:10)   "Palms are fitted black..."

Part 3 (0:17) "To triggers that cause bodies that tremble..."

==============
===Prechorus===
==============

Part 1 (0:24) "But this mud looks shallow..."

Part 2 (0:24)

============
===Verse 2===
============

(0:38) "Child bearing games..."
Same as Parts 2 and 3 of Verse 1.  Also a sweet bass line that
I don't know
how to play.

================
===Prechorus 2===
================
```

```
Part 1 (0:51) "But this mud looks shallow..."

Part 2 (1:05)

===========
===Chorus===
===========

Piano Part (1:09) "Rally all your men..."

       (1:33)

       (1:59)
Play the prechorus parts again.

       (2:16)
Play the chorus parts again.

       (2:58)
A nice accapella part.  Mess around with the other riffs here
if you are so inclined.

         (3:30) somewhere around here play this along with a
motley assortment
of other parts of the song.
