

Portugal The Man - Marching With 6

Tom: **G**

this is played pretty much throughout the whole song

this plays during the "oh, oh, oh" part

then this part comes in after a couple of those

and then play the "oh, oh, oh" part right after it

this is after 2 verses and then some noise(you can figure that out yourself)

it pretty much ends with the same stuff as before. you should be able to figure it out.
