

Portugal The Man - So American

tom: C Em

Ground control to Major Tom
 Ground control to Major Tom
 Take your protein pills and put your helmet on
 Ground control to Major Tom
 Commencing countdown engine's on
 Check ignition and may God's love be with you

If pain was a color to paint on you
 Your heart would be the color blue
 Be a gradient from there till your body met your hair
 Which would remain a silver hue
 You are the one they call Jesus Christ
 Who didn't know no rock and roll
 Just a mission and a gun to paint rainbows in Vietnam
 And a heart that always told you

There's a madness in us all
 There's a madness in us all

[Refrão]

So who broke the rules?
 Who broke the rules?
 Who broke the rules?
 They said every one of you will never try to lend a hand
 When the policemen don't understand
 Boys, all you boys
 Think you're so American
 Girls, all you girls
 Yeah you're so American

He may not be born of this land
 But he was born of this world
 He was born of all the mothers and the colors of our brothers
 And the love that was taught to

C
