

# Post Malone - Blame It On Me

tom: D

I used to say I was free Em

Now all these people wanna keep on takin' pieces of me D

They take away everything, had everything that I needed Em

They held me down, let me drown Em

They spit me out, right through the teeth D

I can't pretend, ash in the wind, won't blow again D

It was a breeze for you Em

These hurricanes inside of my brain, let it rain, made it look easy D

Can't look away, you love the pain, you love the pain D

Watchin' me bleed Em

You cut me down on my knees Em

No matter what you believe D

I think we both can agree D

That you can't blame it on me, yeah Em

It's not my fault, it's not my fault, it's not my fault Em

Blame it on me D

It's not my fault, it's not my fault, it's not my fault D

I couldn't breathe C

Almost lost myself, couldn't stop myself, I did it all C

You can't blame it on me Em

It's not my fault, it's not my fault, it's not my fault Em

Everyday's the same, yeah, I just watch 'em go Em

As I scrape away through the impossible Em

Yeah, I played the game but it was all for show D

Tryna find my way, I nearly lost it though D

Now I see dead people, most have no faith Em

Where did the time go? A watch with no face Em

They hit the ceilin', but my roof likes space D

I took my chances so won't you D

Blame it on me Em

It's not my fault, it's not my fault, it's not my fault Em

Blame it on me, ayy D

It's not my fault, it's not my fault, it's not my fault C

I couldn't breathe C

Almost lost myself, couldn't stop myself, I did it all C

You can't blame it on me Em

It's not my fault, it's not my fault, it's not my fault, not my fault Em

It's all my fault that I'm addicted to the clothes Em

It's all my fault, I paid the cost, yeah Em

It's all my fault that I ain't givin' up my soul D

It's all my fault D

Watchin' me bleed Em

You cut me down on my knees Em

No matter what you believe D

I think we both can agree D

That you can't blame it on me Em

It's not my fault, it's not my fault, it's not my fault Em

Blame it on me D

It's not my fault, it's not my fault, it's not my fault D

I couldn't breathe C

Almost lost myself, couldn't stop myself, I did it all C
