

# Post Malone - Euthanasia

tom:

**Bm**

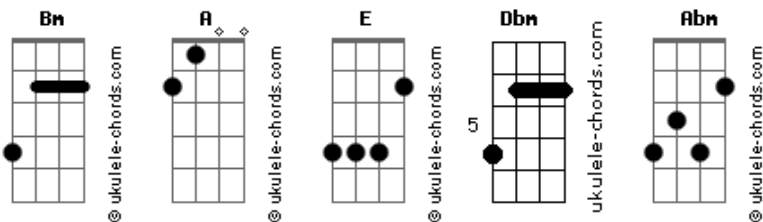

Took a fuckin' sip from my ash can  
**Bm** **A** **E**  
It didn't bother me too much  
**Bm** **A** **E**  
I spit another tooth in the trash can  
**Bm** **A** **E**  
I gave up on keepin' me in intact

**Dbm**  
When I  
**Abm**  
Go out

**A** **E**  
It ain't gonna hurt at all  
**A**  
A choir of angels  
**E**  
Euthanasia

**Bm** **A** **E**  
Behold, a sober moment  
**Bm** **A** **E**  
Too short, and far between  
**Bm** **A** **E**  
I should crack one open

## Acordes

**Bm** **A** **E**  
To celebrate being clean

**Dbm**  
When I  
**Abm**  
Go out

**A** **E**  
It ain't gonna hurt at all  
**A**  
An end to anger  
**E**  
Euthanasia  
**Dbm**  
When I  
**Abm**  
Go out

**A** **E**  
It ain't gonna hurt at all  
**A**  
Familiar stranger  
**E**  
Euthanasia

They say it's painless
