

Post Malone - Go Flex

Tom: F
Intro: Bb F C Dm

Verso 1:

Lighting stog after stog and choke on the smoke
They tell me to quit, don't listen what I'm told
Helps me forget that this world is so cold
I don't even know what I'm chasin no more
Tell me what I want, just keep searchin on
It's never enough, cup after cup
Blunt after blunt, I couldn't give one if I could find a fuck
In the cut and I put that on my momma
And my bitch called talkin bout some drama
I swear there ain't no time for women on the come up
It's either pussy or the commas

Refrão:

Man, I just wanna go flex
Gold on my teeth and on my neck
And I'm stone cold with the flex
With my squad and I'm smokin up a check

Verso 2:

Push the gas, get a motherfuckin nose bleed
She ain't never met a youngin do it like me

She got a man but says she really like me
She doin things to excite me
She sending all her friends snaps of my new tracks
Cause all these hoes know what's about to come next
I hit my plug up, got the paper connect
I drop a couple bands, I just wanna go...

Refrão:

Man, I just wanna go flex
Gold on my teeth and on my neck
And I'm stone cold with the flex
With my squad and I'm smokin up a check

Ponte:

Knowin all of this just don't make a difference
I'm just talkin shit to the ones that will listen
I come with the heat man, I swear I'm never missin
And I'm still the same and I swear I'm never switchin
Refrão:

Man, I just wanna go flex
Gold on my teeth and on my neck
And I'm stone cold with the flex
With my squad and I'm smokin up a check
