

Post Malone - Landmine

tom:
Capostrate na 1ª casa
Intro: G D C

[Primeira Parte]

And all my friends
Take vitamins
Break off perfect pieces
With violence

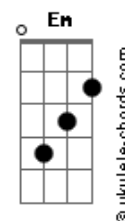

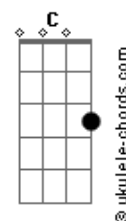

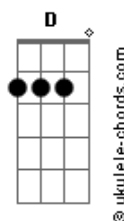

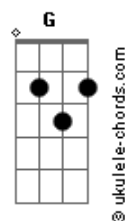

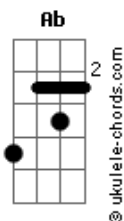

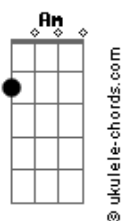

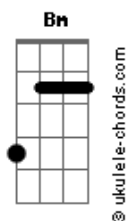

[Refrão]

And outside
I'm burnin' my way through a stoplight
Baby, I'm fine
I'm just workin' my way through a deadline

[Segunda Parte]

And all my friends
Invite 'em in
And my cigarette
And hope someone's watchin'
And to be honest, I fumble for the thrill of it

Acordes

Innocent, militant-like

[Refrão]

And outside
I'm burnin' my way through a stoplight
Baby, I'm fine
I'm just thumbin' my way through a landmine

[Ponte]

And if you're gettin' sick of it
Imagine how I must feel
But if you're gettin' rid of it
Then maybe I'll just keep some myself
(D C)
(G D C)

[Refrão]

And outside
I'm burnin' my way through a stoplight
Baby, I'm fine
I'm just thumbin' my way through a landmine
Ah-ah, ah-ah-ah
