Post Malone - Overdrive

```
                           tom:
                      Db (forma dos acordes no tom de C )
Capostraste na 1ª casa
```

```
              C           G              Dm     F
  I spend my nights on overdrive
C          G           Dm       F
  I live my life so overtired
              C       G       Dm       F
And there's nowhere I can hide
       C       G          Dm       F
Now I live my life on overdrive

         E               F
I could be more like him
       C       Em7       Am
If that's cool to you
      Bb              F            C
I'd do anything to be cool to you
           C7
Cool to you

C           G              Dm       F
  I spend my nights on overdrive
C          G           Dm       F
  I live my life so uninspired
```

```
C             G           Dm       F
  There ain't no angels in this world
      C         G           Dm       F
So I live my life on overdrive

         E               F
I'd remove my tattoos
       C       Em7       Am
If that's cool to you
          Bb              F            C
I'd do anything to be cool to you
              C7
Cool to you

( C  G  Dm  F )
( C  G  Dm  F )
( C  G  Dm  F )
( C  G  Dm  F )

           E               F
  I could end it with her
       C       Em7       Am
If that's cool to you
          Bb              F              C
I'd do anything to be cool to you
