Post Malone - Who Needs You

```
                  tom:
                  G (forma dos acordes no tom de Ab )
                  Afinação: Eb Ab Db Gb Bb Eb
Intro: Bm  E7  A  Gb7
       Bm  E7  A
```

[Primeira Parte]

```
          Bm                    E7                   A
Give me a night, a bar, and a bottle to sip on, a neon light
and a
Bm
Stool to sit on
    E7            A
And I'll be on my way straight to regret
 Dm          Dbm              A G Gb
And I don?t wanna see the sunshine anymore
       Bm                                    E7
I?ll be on the dark side right behind them same old swingin'
Bm
Doors, oh
```
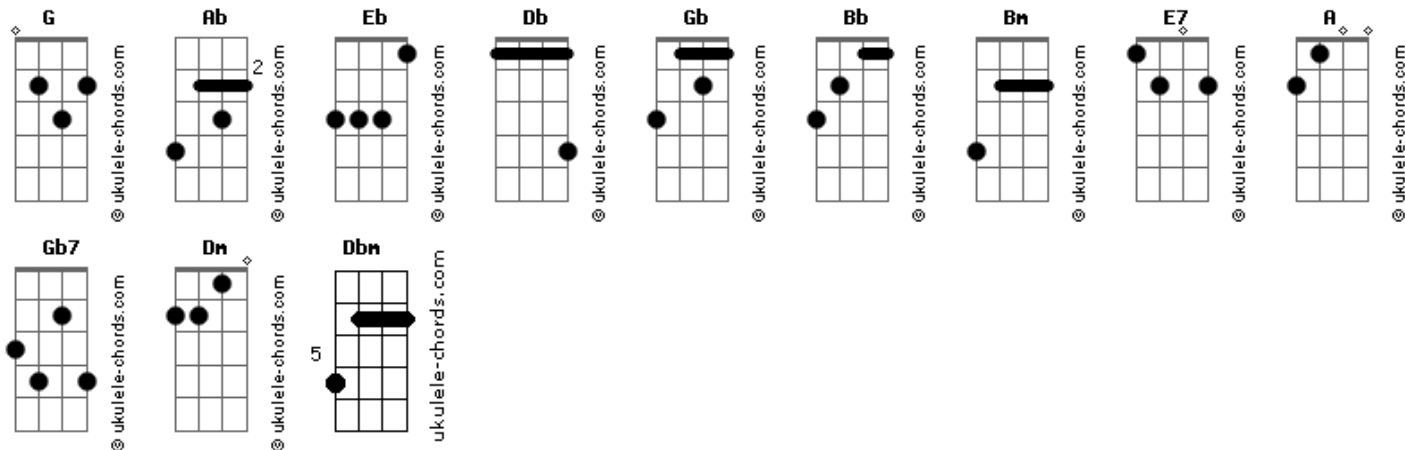

[Refrão]

```
         E7              A                Gb7
Who needs you when I can break myself in two?
       Bm              E7                Dbm
I can make my gray skies blue if that's what I aim to do
       Bm              E7          A    G        Gb7
And I tear it all to pieces, I don't need no blue-eyed reason
       Bm              E7              A
Baby, who needs you when I can break myself in two?
```

[Interlúdio] Bm E7 A Gb7
              Bm E7 A

[Segunda Parte]

```
          Bm                        E7
```

```
I don't need a suitcase and a car in the fast lane
          A                              Bm
To turn this bottle into where Jack ain't
E7           A                           Dm
E7           A G Gb
Me, myself, and I can get the job don? fine, so don't flatter
yourself anymor?
          Bm                         E7                  Bm
I can make me lonelier than you can if we're keepin' score
```

[Refrão]

```
         E7              A                Gb7
Who needs you when I can break myself in two?
       Bm              E7                Dbm
I can make my gray skies blue if that's what I aim to do
       Bm              E7          A    G        Gb7
And I tear it all to pieces, I don't need no blue-eyed reason
       Bm              E7              A
Baby, who needs you when I can break myself in two? (Eat him
alive, Larry, come on)
```

[Solo Violino] Bm E7 A Gb7
                Bm E7 A

[Solo Pedal Steel] Bm E7 A Gb7
                    Bm E7 A

[Ponte]

```
          Bm                    E7                     A
Gb7
If I can change this cloudy weather, then I can put me back
together
          Bm                    E7              Dbm Gb
Baby, who needs you when I can break myself in two?
          Bm                    E7            A
Baby, who needs you when I can break myself in two?
```

```
          Bm                        E7
```
