Intro: C Am F Dm7  
C Am F Dm7

[Primeira Parte]

I don't know who you are  
One day I'm going to  
And it's gonna break my heart  
When she gives hers to you  
And It won't be tomorrow  
But it's gonna be too soon  
When I walk her down that aisle and  
Do what daddies have to do

[Refrão]

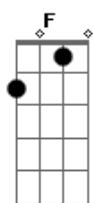

And she might be wearing white  
But her first dress, it was pink  
She might be your better half  
Yeah, but she's my everything  
We'll both love her forever  
But I loved her long before  
And one day I know I'll give her away  
Buddy, that don't mean she's yours

( C Am F Dm7 )

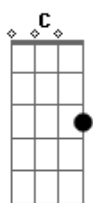

[Segunda Parte]

Yesterday she said her first word  
She's a long way from ?I do?  
Right now she runs to me  
One day she'll run to you  
And it will be your best day  
But it's gonna be my worst

You might watch her walking towards you  
But I saw her walking first  
[Refrão]

And she might be wearing white  
But her first dress, it was pink  
She might be your better half  
Yeah, but she's my everything  
We'll both love her forever  
But I loved her long before  
And one day I know I'll give her away  
Buddy, that don't mean she's yours

[Ponte]

She's still my little girl  
It's crazy, thinking one day she'll be  
Someone else's world  
[Refrão]

And she might be wearing white  
But her first dress, it was pink  
She might be your better half  
Yeah, but she's my everything  
We'll both love her forever  
But I loved her long before  
And one day I know I'll give her away  
Buddy, that don't mean she's yours  
[Final]

Even if she takes your last name  
Buddy, that don't mean she's yours
