

Pra Tua Glória - Me Refaz

tom:

Intro: G Bm C G

Eu largo tudo pra viver o tudo

Eu largo o erro pra viver Jesus

Eu largo a vida pra viver a tua

Oleiro me refaz

Eu largo tudo pra viver o tudo

Eu largo o raso pra ir mais profundo

Te busco como ar que preciso respirar

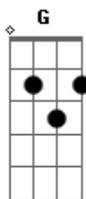

Quebra-me quantas vezes quiser

Me refaz

Me refaz

Me ensina a ser como tu és Jesus

Ainda que doa eu quero ser moldado

Ainda que doa eu quero ser curado

Vai gerando marcas que teve o cordeiro

Eu largo meu eu para ser transformado
