```
tom:
                Db
Intro: Db Ebm Fm Gb
I've not been myself lately
What do I know? What do I know?
I've not been myself lately
                              Fm Gb
I've been expecting you to come
I think about the time
I had you in my life
   Gb
You took me to paradise
I thought I've been so crazy 'bout you
I thought I've been so crazy 'bout you
I thought I've been, maybe I'm not
(What do I know? What do I know?)
Para pa, para pa
Para pa, pa pa
Para pa, para pa
(What do I know?) Para pa
I even done the laundry today
(I even done the laundry today)
Haven't heard a thank you
```

Acordes

```
(I haven't heard a thank you)
I even done the dishes today
(I even done the dishes today)
I haven't heard a thank you
(I haven't heard a thank you from you)
O problema é ditar
O que o outro deve ser ou dar
A vida é uma incógnita ou é uma via?
É assim que eu penso
I thought I've been so crazy 'bout you
I thought I've been so crazy 'bout you
I thought I've been, maybe I'm not
(Je ne sais pas, je ne sais pas)
I was crazy for you
What you made me do
I was crazy for you
And what you made me, what you made me
I was crazy for you
What you made me do
I was crazy for you
And what you made me
                           Db Ebm Fm Gb
Je ne sais pas, je ne sais pas
